

WHAT'S ON MY BUCKET LIST?

To Live a Fuller Life...

Helen Yang

run a marathon

to be honest...I don't love running

but I've started to enjoy it more and more recently - to keep myself healthy & active

go to machu picchu

there's something mysterious about it...

ever since I've seen a photo of machu picchu, I've always dreamed of seeing it for myself

study abroad

spoiler: will happen soon!

I'm super excited to be going on international exchange in the very near future!!! (location will be kept as a surprise)

learn a new language

this one goes along with studying abroad

looking forward to struggle a little, and hopefully become trilingual
